

YOUNG HEROES

15*

JOIN THE ADVENTURE – THE PURE CANYON EXPERIENCE!

Are you between 15 and 16 years old, riding in the “UI7 Youth” class, have already won some races and are looking forward to the adventure of riding like a professional next season?

For the forthcoming season Canyon offers you and other talented young male and female riders from all over Europe an opportunity. From all the applications we receive a panel of experts including Canyon Young Heroes mentor Erik Zabel will select the talented hopefuls who'll then be invited to a get-to-know-you event. You will then have the opportunity to show us your riding abilities and your drive to be part of a team.

Each team member will receive a Canyon pro bike and will have this pro bike to ride for one whole year. Additionally, we offer spare parts, team outfits, team training rides, training support from Erik Zabel and much much more. The races you compete in will be under the direction of your home club (license & outfit). Alongside the support from Canyon, the team provides you with the opportunity to forge friendships with talented young riders from all over the world. Needless to say, the Young Heroes team will have their own professionally created website – just like the pros – on which all team members will be introduced.

As a team member you will become actively involved in our work at Canyon by participating in the creation of the Young Heroes website, providing us with results, pictures and reports. Download the application form today and apply for a place on our team. If you have any further questions, send them by e-mail to: youngheroes@canyon.com.

At www.canyon.com/_en/youngheroes you will find all the up to date information about the team.

Good luck and success
